## ***Advice for Parents***

**Following your visit to a  
Special School  
funded by Norfolk County Council**

**August 2012**

**[www.norfolk.gov.uk/SEN](http://www.norfolk.gov.uk/SEN)**

We hope you have found your visit to one of our special schools useful. Please contact the school if you have any more queries.

The school is maintained by Norfolk County Council. This means we are responsible for the admissions to these schools of pupils with statements of special educational needs and why the school cannot offer you a place.

The school can give you their brochure and a copy of the latest OFSTED (Office for Standards in Education ) report. You can also download OFSTED reports at: [www.ofsted.gov.uk/inspection-reports/find-inspection-report](http://www.ofsted.gov.uk/inspection-reports/find-inspection-report)

The school may have a website with further information about themselves.

### **Who Attends Special School?**

Most children with statements in Norfolk go to their local mainstream school. A much smaller number of children go to special schools. These schools are usually smaller than mainstream schools and are for children whose needs can only be met in a more specialised setting.

These smaller schools have a very limited number of places and we have to look at the individual needs of each child to decide who should attend.

If you would like your child to go to a special school, we will carefully consider your request.

### **Can my child attend Special School?**

If you feel your child may need a special school place, ask at their present school for an Interim Review of their statement. At the Review your views and the schools can be discussed and recommendations for changes can be made to us.

If you would like your child to go to a special school contact your **Additional Needs Co-ordinator** (previously SEN Caseworker). Their details will be in the letter you have from us about your child's statement.

### **If you are planning to move to Norfolk**

Please contact us if you feel your child needs a Special School placement on **0344 800 8020**. You should also tell your child's current school and Local Authority.

If you are **not moving** but are thinking about asking for a place in a Norfolk Local Authority Special School, you need to speak to your own Local Authority's Special Needs Department. Details for all Local Authorities can be found at:
