Sheringham Woodfields School

Curriculum Information for Families 2026-2027

Term: Autumn 2 Class: Larch

Strand and Profile	Profiles in Class	Ideas for Home
Communication and Literacy	Phonics 1:1 Reading English – Talk for Writing Text: **Three Little Vikings** by Beth Woollvin We will be continuing to understand the main themes of the story and describe the characters. We will then plan and our own versions of the story.	Encourage your child to play at reading. Set up a regular time for reading – bedtime is excellent. Explore the book, looking at the characters, what you can see, and use describing words to support a deeper understanding.
Mathematics and Problem Solving	Maths: **Addition and Subtraction** We will learn with physical resources, number lines, songs and games to add and subtract up to 20 and beyond. Computing: **Text and Pictures: Combine words and pictures to create something (e.g. a card or poster)** Continued from last half term.	Continue to support your child at home with their functional math skills in a variety of ways, e.g. with activities such as cooking, shopping, building blocks, Numberblocks on CBBC. Songs on YouTube. Support your child to access computers and devices safely. Make a greetings card for a loved one, combining words and pictures. With support, attach your photographs taken to this card using 'cut and paste' feature.
Personal Development	PSHE: **Appropriate Touch** The children will learn different greetings. We will then move on to considering when it is appropriate to touch others and what kind of touch to use. We will consider safety and consent. RE/SMSC: We will have themed days covering RE and other significant events.	Just backing up what is appropriate touch with different people, in different places at different times in conversations with your child. Discussing the significance of November 5th and Remembrance Day.
Physical Development	PE, Physio, Physical Therapies: **Games - agility, balance and coordination.**	Encourage your child to stay active for 30 minutes per day. Visit a local park. Access some information about sensory circuits at home.
Understanding the World	HISTORY: Tracey will be looking at recent **change over time** through Toys.	Talk with your child about the toys you used to play with and compare and contrast. Grandparents too!
Expression and Creativity	ART: In art we will be researching, planning and making different **Christmas crafts**. This is in preparation for the Christmas Fair. MUSIC: **Hip Hop**. We will be learning about rhythm, pulse and pitch. We will also practise a song for the Nativity.	Making some at home. Following 'How To' instructional videos on YouTube. Usborne craft books. Listening to the theme tune of 'The Fresh Prince of Bel Air' as child friendly hip hop!
Personalised Learning	We will be incorporating our PLG's within our learning throughout the week. We will also have a focussed targets session on Friday.	PLG's all link with EHCP outcomes. Try to use these targets within your daily life to support with independence and understanding.
