2nd February 2018

Dear parent/carer,

I am very pleased to attach our excellent OFSTED report for you.

This was a one day inspection and hence is not as detailed as previous reports have been.

Schools cannot be upgraded to outstanding from a one day inspection; however, of the 4 possible outcomes from these inspections we received the best possible result.

The report states that the school remains good and has made marked improvements in the areas inspected which may indicate the school is improving towards outstanding.

This means we will get a 2 day inspection during the next 12 to 24 months.

We were in the unusual position of having no areas to improve upon and so the identified next steps for the school are things we already are working towards.

I would like to thank all our parents and carers for supporting us in achieving this result, not just the very positive comments made to inspectors but the continued support throughout the year, working in partnership with our staff to achieve the best for our pupils.

If you have any questions about the inspection report do not hesitate to get in touch.

Yours Faithfully,

James Stanbrook
