23rd March 2020

Dear Parents/Carers

As we move forward, the school has decided to create a one-stop webpage on the schools website to display current information, guidance and copies of letters sent home. The web address is www.sheringhamwoodfields.co.uk/covid19 and at the top of the page it will let you know when the page was last updated. We don't want to heighten concern or anxiety but at the same time we want to be open and transparent with all.

The home page of the school website (www.sheringhamwoodfields.co.uk) have two new pages - Learning from Home and Coronavirus Update - both pages will support all families during the school closure. The Learning from Home section will contain useful resources and activities that your child will be able to use during this time.
