

# SHERINGHAM WOODFIELDS SCHOOL

Newsletter - 20th January 2026

## Key Information

Last day of term -  
13<sup>th</sup> February

## HEAD TEACHER MESSAGE

It has been lovely to welcome pupils back after the Christmas break, and they have settled back into their routines really well.

It's hard to believe we're already over two weeks into the Spring term! Pupils have been working hard and engaging positively in their learning, which has been wonderful to see.

### DOLPHINS CLASS

This half term we have started reading and exploring the story "We're Going on a Bear Hunt". The children are really enjoying immersing themselves in the story and the activities. We are learning about the different settings of the story: grass, mud, water, snow, forests and caves, and thinking about their textures and how they might feel. In our problem solving sessions we have started to look at and learn direction and positional language such as; in, out, on, off, through, over and under, by playing with the train track and the parachute.

### SHELLS CLASS

Shells class have had a lovely start to the new term!

We enjoyed a sensory trail based on our new Talk for Writing text - We're Going on a Bear Hunt. The pupils really enjoyed exploring tuff trays and sensory activities themed on the different settings in the book, including mud, grass and a cave!
