## Key Information

2<sup>nd</sup> February - SMSC  
Wildlife Day

## HEAD TEACHER MESSAGE

As we move further into the term, pupils have continued to enjoy their learning and make some fantastic progress. We're looking forward to our upcoming SMSC event next week, when the whole school will be off timetable for World Wildlife Day, with a range of activities planned and opportunities for pupils to work alongside different classes.

### SEAHORSES CLASS

Seahorses have been enjoying our 'Bear Hunt' story. We have been making a story map for our classroom using collage skills to make each setting.

We have been exploring materials to see what they feel like and have done some writing about each scene.

### CHESTNUT CLASS

This half term, Chestnut's class have been following the story of "The Pirate Next Door". We have been creating lots of pirate crafts and have been fully immersed into the story. We have had a treasure hunt, created our own message in a bottle and treasure maps. We even built a full sized pirate ship. Chestnuts have enjoyed lots of role play and liked exploring pirate resources.
