SWS

Doing and being our very BEST

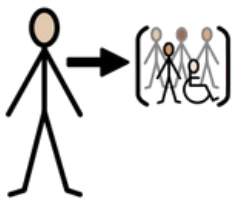
Vision

At Sheringham Woodfields School, we believe every pupil can thrive when they feel they belong, are empowered to use their voice, experience success in their own way and are supported by the people around them working together.

Through our BEST values, we create a nurturing and ambitious environment where every pupil is supported to be the best version of themselves and achieve outcomes that are meaningful to them.

Values

Belong



We feel safe, included and welcomed. We feel valued, respected and know that we belong as part of our School community.

Empowered

We are empowered to communicate, make choices, grow in independence and speak up for ourselves. Our voices matter and are listened to.

Succeed

We are supported to succeed in many different ways. We each have our own goals and aspirations, and we achieve what is meaningful to us.

Together

We learn, grow and succeed with our families, staff and the professionals who support us. The adults around us work together to help us achieve our best
